

Press Release

The Government of Nepal is shocked to learn of the terrorist bomb attacks on different places in Brussels yesterday that resulted in the massive loss of precious lives and injuries to many innocent people.

The Government of Nepal, in line with its principled position, unequivocally condemns terrorism in all its forms and manifestations and holds the view that terrorism must be firmly and resolutely dealt with wherever and whenever it takes place. While wishing early recovery of those injured, the Government of Nepal believes that the perpetrators of these heinous acts will be brought to justice at the earliest.

At this hour of profound grief, the Government of Nepal extends heartfelt condolences and sympathies to the Government and people of Belgium as well as to the bereaved families.
